

CHAITHANYA

FULL STACK DEVELOPER | REACT JS | JAVA & SPRING BOOT | MYSQL

Telangana, India | mchaithanya456@gmail.com | 9014074771 | LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience building end-to-end web applications using React JS on the frontend and Java / Spring Boot on the backend, backed by MySQL relational databases. Skilled in designing RESTful APIs, implementing CRUD operations, and integrating frontend and backend layers to deliver responsive, data-driven applications. Proficient in React Hooks, Context API, component-based architecture, Tailwind CSS / Bootstrap for responsive UI, and JavaScript ES6+ for dynamic client-side logic. Experienced in writing clean, maintainable code, debugging across the stack, optimizing application performance, and using Git/GitHub for version control in collaborative, remote-friendly development workflows. Strong problem-solving ability with a solid foundation in DBMS, OOP, and Data Structures & Algorithms, with practical exposure to Node.js, MongoDB, and TypeScript gained through personal projects and self-learning, and a continuous drive to expand full-stack expertise.

TECHNICAL SKILLS

Frontend: React JS (Hooks, Context API, Component-Based Architecture), JavaScript ES6+, HTML5, CSS3, Responsive Web Design

Styling & Frameworks: Tailwind CSS, Bootstrap, CSS Flexbox & Grid

Backend: Java, Spring Boot, JDBC, Servlets, JSP, REST API Design

Databases: MySQL, Oracle, SQL, Database Design, Query Optimization

API & Integration: RESTful APIs, API Integration, CRUD Operations, async/await, JSON, DOM Manipulation

Tools & Version Control: Git, GitHub, VS Code, Postman, NPM

Core Concepts: OOP, DBMS, Data Structures & Algorithms, Debugging, Performance Optimization

Practical Exposure (Self-Learning / Personal Projects): Node.js, MongoDB, TypeScript

INTERNSHIP

Software Development Intern (AI Applications) — Skilltroniks Technologies Pvt Ltd

Dec 2025 – Mar 2026

- Contributed to full-stack development of an AI-powered chatbot application, building modular JavaScript ES6+ UI components and connecting them to backend REST API endpoints.
- Integrated Web APIs to process real-time user input and render dynamic responses, strengthening API integration, debugging, and cross-stack problem-solving skills.
- Collaborated within software development workflows including code reviews and version control using Git, gaining practical exposure to professional full-stack team practices.

PROJECTS

ATS Resume Checker — Full Stack Web Application (React JS + Spring Boot)

GitHub

React JS · JavaScript ES6+ · Bootstrap · Spring Boot · REST API · HTML5 · CSS3

- Built a full-stack application with a React JS frontend and Spring Boot REST API backend, handling resume parsing and ATS keyword-scoring logic end-to-end.
- Architected reusable React components with Hooks (useState, useEffect) and Context API for state management, integrating async/await API calls for real-time scoring feedback.

AI Chatbot Web Application — Full Stack (Frontend + Spring Boot API)

GitHub

JavaScript ES6+ · HTML5 · CSS3 · REST API · Spring Boot

- Developed a real-time chatbot application with a responsive JavaScript frontend and a Spring Boot REST API backend, handling request processing and response generation.
- Implemented end-to-end API integration between frontend and backend layers, including debugging and performance tuning for smoother response rendering.

Task Manager Application — Full Stack CRUD (React JS + Spring Boot + MySQL)

GitHub

React JS · JavaScript ES6+ · Tailwind CSS · Spring Boot · MySQL · HTML5 · CSS3

- Designed and built a complete full-stack task management system: React JS SPA frontend with Context API state management, Spring Boot REST API backend, and MySQL database layer.
- Implemented full CRUD functionality via RESTful API integration, with database schema design in MySQL and a responsive Tailwind CSS UI optimized for performance and usability.

EDUCATION

Bachelor of Computer Applications (BCA) — Vikrama Simhapuri University, Andhra Pradesh

2023 – 2026

CGPA: 8.85 / 10.0

Intermediate (CEC) — Board of Intermediate Education, Andhra Pradesh

2021 – 2023
